Note: Capitated encounters are not included in HMO summaries and averages. *This version of the table specifying practitioner utilization and expenditures for private non-HMOs differs from previous versions because it includes data from Blue Cross Blue Shield of the National Capital Area (NCA). Recently, HCACC has developed a technical improvement to the data which allowed us to distribute NCA dollars and services among the counties.

Allegany County

CPT	PRIVATE NON-HMO	Maryland	County
90844	Individual medical psychotherapy by a physician, approximately 45 to 50 minutes	\$ 83	\$ 76
59400	Routine obstetric care including antepartum care, vaginal delivery, & postpartum care	1,944	1,769
